U.S. Probation Officer Action:

Immediately upon his release, the offender was referred for drug treatment and random drug testing through code-a-phone. On February 15, and March 25, 2010, he tested positive for marijuana. Since that time, Dominguez has been compliant with all treatment directives and all aspects of his supervised release obligations. As such, we ask that no action be taken at this time. We will continue to monitor Dominguez for drug use. The offender understands that continued drug use will result in a formal proceeding before the Court, by way of a 12C Violation of Supervised Release Petition.

The Court's endorsement of this petition will also serve as an official written reprimand to the offender.

Respectfully submitted,
